

## **Village Hall**

The **Main Hall** (10m x 15m, high ceiling) has wood flooring with underfloor heating and badminton court markings, induction loop and amplification system with two radio microphones. Modular staging is available for creating a raised area of flexible height and shape up to 28 sq.m. Double doors to Lounge. Max. 200 persons (dances), seating capacity about 120 persons.

The **Lounge** (56 sq.m) is L-shaped, mainly carpeted. It is furnished with upholstered chairs at round tables and a wheeled coat rail. There is an induction loop with microphone, a large hatch to the kitchen and a bar counter with shelving and non-slip vinyl flooring. Max. 50 persons.

The **Meeting Room** (8.5m x 12.5m, low ceiling) has a non-slip vinyl floor. There is a folding partition to subdivide the room, a small hatch to the kitchen and an induction loop with a microphone. Double door to paved area with low fencing and recreation ground beyond. Max. 120 persons (standing), seating capacity about 90 persons.

The **Kitchen** is fitted with a double sink and separate hand basin, large larder fridge, induction hob, domestic grill/oven, microwave oven and a 30 cup capacity hot water dispenser. There are domestic size saucepans, kettles, large teapots, plus assorted crockery and cutlery to serve approx. 120 people.

The spacious **Foyer** gives access to all rooms and toilet facilities. A nappy changing table is located in the accessible toilet. There is some low seating and a wheeled coat rail.

Use of the kitchen, equipment and utilities is included in the hire charge. Store rooms in the Main hall and Meeting room contain ample long tables and chairs for each room. Additional small tables are stored in the foyer.

## **Sports Pavilion**

The sports pavilion adjoins the village hall but is self-contained. There are separate home and visitor team changing rooms and showers as well as a separate changing room, toilet and shower for officials. There is an accessible toilet with a nappy changing facility.

The **Club Room** (10m x 7m, high ceiling) is hard floored with a large hatchway to the kitchen and two double doors opening onto the recreation ground. There are both long and small folding tables and stacking chairs, seating capacity about 70 persons.

The **Kitchen** has a large catering oven, double fridge and hot water dispenser. There are supplies of glasses, crockery and cutlery.

## **Parking**

There are 25 parking bays in front of the building. A free public car park is located on the access road and further roadside parking is possible within a short walking distance.

The school playground or field can be made available for extra parking by arrangement with the school (tel. 01223 712447).
